EMERGENCY CLOSINGS: If HISD announces they will be closed due to weather conditions or other threatening situations, we will also be closed. If HISD closes schools during the day, we will keep all children safe and calm until you arrive. Should an emergency closing be necessary during the summer months, or other times HISD would not announce a closing, our staff will make every effort to notify you personally. There is no decrease in tuition, credit or make-up day given for absences that are the result from emergency closings.
